

Long Melford Church of England Primary School SUMMER TERM 2021

Year 6 also enjoyed their time at **Thorpe Woodlands Adventure Centre** where we challenged ourselves on a range of activities including abseiling, the zip-wire and kayaking.

What a busy term we've had! Year 6 have recently performed the musical 'Pirates of a Curry Bean'. They had great fun practising and performing in front of Year 3 and 4. We even recorded the play for our families to watch.

All our children entered the **Suffolk Home Start Character Creation Competition**.

The purpose was to inspire budding writers but to also support the Suffolk Home Start charity which supports families through challenging times. We were proud to have nine pupils shortlisted for their character descriptions!

To celebrate England football team's success in the Euro's, the whole school supported the team by wearing red, white and football clothes. Come on England!

To encourage the learning of times tables and to make maths fun, we held a **Times Table Rock Stars Day**. It involved the children dressing as their rock avatar and competing against each other to find the school's TT Rock Star Champion of 2021!

Year 4 wowed us with their lovely **clarinet concert** this term. They have been learning the clarinet throughout the year.

Forest School continues to be a favourite activity for our pupils!

This term we have had a number of **transition visits for Reception class 2021**. The children loved exploring Fox Class' classroom and meeting Mrs Graham.

Year 1 and 2 **visited our church** in Long Melford to create some art-work.
