

Nacton Church of England Primary School

Autumn Term News 2019

Guardians of the Planet

Our newly elected Guardians of the Planet enjoyed an exciting visit to the Energy to Waste site. They saw how our waste is turned into electricity as well as road surfacing materials.

Children in Need

Our pupils took part in 'The Great Nacton Bake Off' and raised over £400. It was a successful day with lots of amazing cakes entered. Congratulations to our four winners.

We welcomed fifteen new reception children into Tigers class.

We also welcomed Miss Clayton, our new Year 5 and 6 teacher.

Enrichment Days

All of the pupils have taken part in a fencing and curling enrichment days.

Some of our pupils brought some festive cheer to the senior residents of Nacton by singing Christmas songs at their Christmas party.
