

Ringsfield C of E Primary School

The autumn term has been very busy with the children taking part in lots of exciting activities and events.

Our Reception class had a super time during their visit to the Playhouse theatre, in Norwich to see the Tiger That Came to Tea. This experience added an extra dimension to this much loved children's classic and they have produced some terrific writing and art work based on the story.

In KS1 the children worked exceptionally hard to produce some fantastic Christmas tree decorations for the school's entry into Beccles Christmas Tree Festival. The project really helped them to develop their DT skills. They also thoroughly enjoyed their visit to the Elizabethan House and the Time and Time museum. This experience enabled them to deepen their understanding of chronology and gave them the opportunity to compare and contrast toys from the Victorian period with toys today.

The children in years 3 and 4 are all very keen on sport and this term they have been able to showcase their skills during the Matball and Unihoc tournaments. In PE lessons they have focused on working well as a team and always strive to do their best.

In upper KS2 the children have developed their appreciation of road safety by completing the 'Bikeability' cycling proficiency course. All the participants passed at level 2. They were also complimented on their engagement with the training and their politeness and good manners. Our Road Safety Officers have also been actively raising the profile of road safety by organising a very successful poster competition. The winning posters have been prominently displayed around the school.
