

July 2021

It has been so exciting having more opportunities open to us this term.

We have enjoyed attending sporting events including cricket, football and Quad Kid athletics.

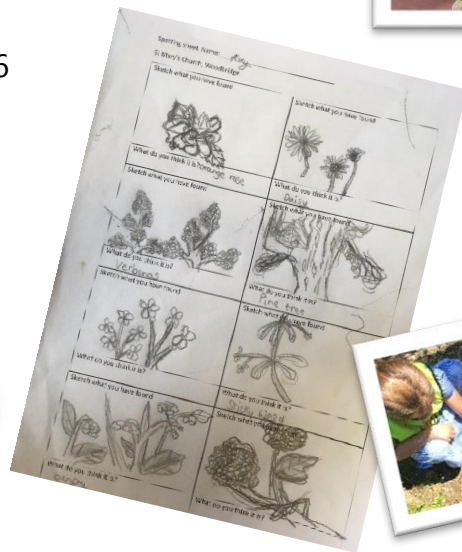

We also held a sports day; we couldn't invite parents but we still had great fun.

Children in KS1 enjoyed a pirate day!

Children in years 2, 4 and 6 visited St Mary's Church to take part in a 'Churches Count On Nature' nature count.

Children in year 3 visited Ipswich Museum to learn about the Ancient Egyptians.

Year 5 and 6 classes both performed outdoor productions in a variety of weather conditions!
