

## Chelmondiston Church of England Primary School

This half term the school has been focusing on its aims and objectives and making sure that these have a strong biblical foundation.

The story that we have chosen is that of the Good Samaritan. This story supports us in ensuring that the children can "Aim High In Everything We Do" which is our school motto.

Below you will find pictures of the displays that the children created in order to support their learning in this area. I am sure you will agree that this will make sure that all of the children understand this story and how it influences what we do and how we behave in school.
