

Autumn Term News from Nacton Church of England Primary School

Our parents/carers were invited to join us for our annual Christmas decoration afternoon. All of our pupils made fingerprint pictures, wreaths, Father Christmas letters and 3D Christmas trees. We were delighted so many parents/carers were able to join us for the afternoon.

Our Guardians of the Planet are working hard to reduce water wastage, which they feel is an area we need to improve on. Part of their action plan is to hold an assembly to raise awareness of the problem. We also organised for Anglian Water to lead an assembly and a workshop for Year 1, 2 and 3.

On the 24th September 2018, Jaguars (Year 5&6) went to PGL at the extraordinary Bawdsey Manor. We had lots of fun doing exciting activities including: Giant Swing, Trapeze, Challenge Course and much more. We also went to Woodbridge Park to build rafts and paddled them in the River Deben. In the evenings we had lots of entertaining activities such as campfire, where we got to eat yummy melted marshmallows. We also told stories and sang extremely loud songs. Surprisingly we had an unexpected mission because Stove the Dragon, who is PGL's mascot, had unfortunately gone missing. It was up to Nacton to find out who the culprit was! We had lots of fun and made many memories. We won't forget our time at Bawdsey Manor.

The WWI centenary was used as stimulus for Year 5 and 6 in their Art as well as in their English lessons. They wrote beautiful and meaningful poems, some of which were drawn from their family members' own experiences in WWII.
