

Morland

Church of England Primary School

The Royal Wedding Picnic

Shortly before the May half term holiday the children all enjoyed the Royal Wedding picnic which we had on the field. The children from Nursery right through to Year 6 came dressed for a wedding and then enjoyed a whole school picnic. There seemed to be lots of strawberries for everyone.

Our Reception Classes have had a new outside area this term and the children are having great fun exploring the area and the new resources.

Dance East

On Wednesday 27th June a group of 30 children from Morland performed at Dance East on the Waterfront. Three other schools also performed during the evening and the theme of the whole event was to celebrate 70 years of the NHS. The children had worked very hard to prepare for this under the expert direction of Mr White and Mrs Thorpe. It was a lovely evening and our group performed brilliantly. They focussed our attention to the many reasons that we all have to be grateful for the amazing work that the NHS do.

Experience Pentecost

Our lovely Open the Book team from St Augustine's and a group of ordinands in training helped us to run Experience Pentecost for all of the children in Year 4.

Arts Week

For the first week in July the whole school had a focus of art across the curriculum. All sorts of amazing things happened during the week T-shirt printing, pottery, Indian dance, samba band workshops, natural art to mention just a few.
