

## Morland Church of England Primary School

At the beginning of March, the Drama and Dance Group from Morland C of E Primary School in Ipswich participated in this year's 'Celebration' concerts at Snape Maltings. Working within the theme of 'A Vision For The Future', the group created a stunning ten minute performance based on the prophecies of Macbeth's witches.

Blending music, acting and dance in a powerful yet poignant way, the piece – cheerfully entitled, 'Feeding On The Flesh...Of All Our Futures' - featured both ensemble and solo performances. The children played a variety of instruments - from grand piano to bass guitar, from glockenspiels to electronic drums; presented a range of dances - from ballet to the Charleston and beyond; and delivered short key speeches in Shakespeare's own words.

Highly praised by the organisers for the originality, verve and quality of their performance, the forty children from Morland enjoyed a wonderful and unforgettable evening, rounded off by joining the other five schools taking part in the grand finale song 20/20 Vision.
