

Autumn Term News from Nacton Church of England Primary School

We now have our very own School Prayer! Following involvement from pupils, governors, parents and staff we have chosen the school's five core values as; truthfulness, perseverance, compassion, respect and responsibility. These have been incorporated into our school prayer. We then created a display using hearts, hands and minds made by pupils and parents at our Christmas decoration afternoon.

We welcomed a SIAMS inspector to our school at the end of the 1st half term, and achieved an overall rating of good. The inspector was impressed with the pupils who led our Collective Worship, our school councillors and also our school captains.

We celebrated World Toilet Day by hosting Anglian Water and Therese Coffey, MP. We assisted in unveiling their new vehicle livery, which has a focus on being aware of what you should and shouldn't flush down the toilet. This provided a great opportunity for our Year 5 and 6s to learn about current environmental issues.

Our reception pupils performed, very successfully, their own nativity for their parents/carers. Luckily we have a pair of donkeys who live nearby who were willing to walk Mary and Joseph to Bethlehem!
