

Summer Term at Hartest Church of England Primary

It has been an exciting term at Hartest, full of great opportunities for the children. They have particularly enjoyed using our fully refurbished swimming pool, made possible by generous donations from the Friends of Hartest. The new pool was opened in June by the Headteacher, who had the first swim! The school has been able to be host events for parents and the local community, including our very popular Pet Parade and BBQ event, including everything from bearded dragons to ponies! The children continue to enjoy a greatly enriched curriculum at Hartest, including several recent educational visits supporting their topic work. The enjoyment and celebration of learning here has been wonderful. The school has also been awarded a School Games Mark GOLD award for all our community sport involvement.
