Well Done!!

A very well done to all our children who have worked so very hard this year.

We had a special well done to Daisy-May Pannell who won our Sports personality for the year for her outstanding contribution to sport at Tudor.

Also a special well done to Rohan Sharpe for being such an excellent role model in our sports council.

Sports Day.

Sports Day was held on Friday 30th June. The whole school took part on races on our athletics field watched by many parents who enjoyed a sunny day with a picnic. It was a most enjoyable day and the determination on the faces of the children and their sporting talent delighted us all.

Coffee Mornings.

Coffee mornings continue to be a feature every month here at Tudor. We welcome mums and carers into school on a Monday morning for coffee, chat and support until 10am. Number 72 is also here at that time. Mrs Jackie Dew, who started here at Tudor in September, is always available to parents to help with attendance or other challenges that they may face!

Careers Day: Opportunity Knocks

We held our first careers day entitled 'Opportunity Knocks' on Friday 9th June. This was to inspire us all with the world of work.

We thought about what we wanted to achieve in our lives, our careers for the future and how we might achieve these hopes and dreams. We were able to chat to the people who came to visit us to

find out how they began their job and what they had to do to achieve this. Some of us were so inspired that we think we may have

found a new career path to aim for. Willow writes: 'When I am older I wish I could be a vet. To achieve this dream I'll need to spend 5 years at college. I'll also need to be willing and able to look after the animals on weekends and nights'.

We had arctic explorers complete with their coat and sleeping bag!!

Art Talent!

Our talented artists here at Tudor have finished the year with using oil paint and painting onto canvas. We painted a still life painting of lemon or lime. We took time to complete it, it was a 3 week long project on Friday afternoons. But the finished results are stunning!

Year 6 play.

The year 6 children, who had finished their SATs exams, worked towards putting on a play. The stage this last week and performed for an afternoon performance and also an evening performance. They did an exceptionally good performance with so much talent clearly on display. Very well done to them all.

Talent Show.

We finished the year off with a talent show that was completely child led. The children decided what to do and when to rehearse etc. We enjoyed singing, ribbon dancing, solo singing in Russian, magic tricks, gymnastics, comedy acts, 60 second art, football skills, group singing and compositions. Very talented children!

SIAMS Inspection

'GOOD'

Our SIAMS inspection took place on Tuesday 27th June.

We were completely delighted to receive an over rating of 'Good' and an 'Outstanding' grading for our collective worship.

Mrs Ruff watched our collective worship, led by the faith council and Mrs Helen Matter, she met the faith council, and she had a tour of our school and met staff and governors.

Retirement.

We were very sad to say goodbye to one of our early year's teachers after 21 years here at Tudor. As the children said she was 'the heart of our school'. We held a street party celebration with all the school community and then had an afternoon of games before presenting her with her present in the hall at the end of the day. We wish Mrs Appleton all the very best for her retirement! We will miss her!

Spiritual Garden

The whole school read the story 'Only One You'.

In response to this we all painted one pebble and varnished it. We incorporated some of our values also onto the pebbles. This is the beginning of our spiritual garden which is an exciting project for next year. The pebbles will create the pathway. For the moment they are displayed in our reflective area.
