

St Mary's CofE Primary, Woodbridge. Autumn 2017

Year 1 absolutely loved programming the bee-bots on the playground to follow their algorithms.

Year 3 have been learning about the Ancient Egyptians. They enjoyed dressing up and visiting Ipswich Museum

Year 4 had an amazing time learning about the Romans. They made battle formations with their shields, and visited Colchester Castle.

Key stage one learnt facts about penguins during their trip to Colchester Zoo

During collective worship we read the poem 'Footprints in the Sand'. Foundation talked about different ways to make footprints and the children decided to use paint! This activity was so much fun and it helped the children to remember the poem.

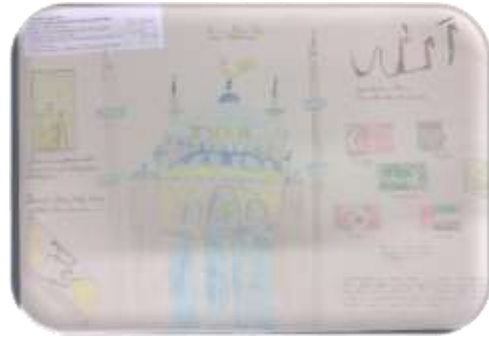

Year 5 went on a trip to learn all about being an apprentice in a Victorian factory. It was a fantastic learning experience.

St Mary's CofE Primary, Woodbridge. Autumn 2017

Children in Year 3 and Year 4 have been writing code to programme their Lego WeDo models

We researched and presented information about different religions as part of Interfaith Week

Year 6 demonstrated fantastic problem solving and team work when they visited Adastral Park in order to learn how to program a Crumblebot.

We joined in Anti Bullying Week:
All different - All equal

Year 2 have been exploring collage techniques and finding out about artists that create collages.

Japanese Club shared their learning about Japanese culture and language during our whole school Languages Week.
