

December 2020

We have been pleased to welcome our new vicar, Father Nigel, into our school community. Although we have not been able to see him as often as we usually would, we were delighted to be able to take year 6 to church. Year 6 were exploring symbols of incarnation around the church and also used the opportunity to record their Christmas song for parents.

Each class has been busy making a Christmas recording for our website – singing, dancing, playing instruments and acting

Our children enjoyed taking part in the MAT book-in-the-jar competition. We were excited to discover one of our children's entries was judged a winner! Can you guess the book?

Year 3 have been enjoying learning about the Egyptians and had a fantastic Egyptian day in school.

Road Safety and Anti-Bullying Weeks

The whole school has participated in anti-bullying and road safety weeks during this half term. We have delivered lessons within our PSHE curriculum and discussed issues in assemblies. The school's anti-bullying policy has been shared with children in an age appropriate way. Our definition of bullying is **STOP: Several Times On Purpose**. We have also had a focus on mental health and emotional well-being across the school. We have introduced Zones of Regulation in every year group to help us to identify how we are feeling. We also took part in #HellowYellow mental health day.

'Love your neighbour as you love yourself.'
