

Sproughton Church of England Primary

Autumn Term 2018

On November 19th 2018, Sproughton C of E Primary School children came together to embark on a whole school project of an enormous scale. With the help of Art Solutions, the children turned a mountain of newspaper in to a giant, three dimensional display of Noah's Ark.

At first, the children weren't sure if they would achieve such a momentous task until Tyde Murray, aged 4, reminded the whole school "If we all work as a team, we can do it and it will be a giant creation!"

The two day art project was organised to celebrate the school's new mission statement, "let your light shine" Matthew 5:16. Sproughton C of E Primary has recently updated it's school vision, mission, values and aims with the arrival of new Headteacher, Mrs Jane Stalham, in September. The project, funded by parents and the Schools Association of Sproughton, was a celebration of new beginnings, the school's Christian ethos and learning.

Staff at Sproughton are passionate about providing an exciting and balanced curriculum where learners excel through outstanding opportunities. The Noah's Ark display has pride of place in our library
