Reflection Area at Brampton

This term year we have been developing our playground reflection area. We have created a calm and inclusive space where children have the opportunity to reflect, pray and explore. The children can reflect upon our Christian values and how they demonstrate these in everyday life, as well as ponder their responses to big questions.

Eco Warriors

To develop ownership of the area, our Eco Warriors have been busy clearing out some old planters to put in the quiet area. They wrote letters to 'Wangford Farm Shop' who kindly donated compost and plants. The children have worked hard planting the bedding plants and watering them. We hope to attract lots of bees and butterflies.

Ethos Group

Our Ethos group has distributed prayer stones around the reflection area. The messages encourage children to reflect upon our Christian values.

Spirituality

We have purchased a range of different garden ornament using money gathered from our Christmas performance. They provide children with opportunities to develop spirituality, encouraging wonder and quiet reflection.

PSHE

The reflection area is a calm space where children are able to socially interact and engage. This safe environment encourages personal, social and emotional development.
