

## Big help out.

All of our children participated in a litter pick around school and in the local area as King Charles asked for people to help out in their local communities and we answered the call. Well done all, we are very proud of you!

Our Value for Life is:

## Humility

Humility is not thinking less of yourself, but thinking of yourself less.  
 - C.S. Lewis

**Don't be selfish; don't try to impress others. Be humble, thinking of others as better than yourselves.**

Phillipians 2 v 3

## Wearing our crowns with pride.

We all wore our crowns, kindly donated by the NHRM. The children have been presented with a commemorative pin badge from school to remind them of the coronation and to thank them for their litter pick. The NHRM gave them refreshments and love hearts and showed them some previous coronation robes.

## What a wonderful day celebrating together the King's coronation. We enjoyed a coronation lunch fit for a King.

In the afternoon we had invited all of our parents to an outdoor collective worship but the weather meant we all had to squeeze inside, but this did not dampen our spirits! We decorated the hall with bunting, sang, danced, taught them about all of the Kings since 1066 and about all the countries in the Commonwealth.

Finally we all enjoyed cake that we had made for a cake competition, with Veronica and Jack crowned as the cake-making winners. They received a book prize for their efforts.
