

St Edmundsbury and Ipswich Multi Academy Trust: Spring Newsletter

Being active at Bedford CE Primary School

Daily Mile

We were inspired by the Olympics in 2024 to run the distance between London and Paris during our daily mile activity. We worked out that 40 laps of our playground is the equivalent to one mile. We achieved our goal in June 2024 and celebrated by having croissants.

Our goal since September has been to run the distance between Paris & Rome. This is 907 miles, so far, we are on 502 miles we hope to reach Rome by May 2025.

Pipers Vale

We enjoyed a couple of sessions at Pipers Vale Gymnastics Centre focusing on balancing and sequencing. The children thoroughly enjoyed being able to use all the equipment to improve their gymnastic skills.

High Suffolk Sports Partnership

On Friday 7th February we took a small group to Hartismere High School to take part in the Panathlon event. The event involved Boccia, Flight Path, Ten Pin Bowling, Basketball and Slalom. The children all had an enjoyable time and represented the school well.

Still to take place in the Spring term is our swimming sessions at Framlingham College and a muddy wellie walk, raising funds for Bedfield School and Suffolk Prickles Hedgehog Rescue. Anyone is welcome to join us!!

£2 entry per person, payable on the day

JOIN US FOR A MUDDY WELLIE WALK

Raising funds for Bedfield Primary School and Suffolk Prickles Hedgehog Rescue

Sunday 16th March @ 10am
Meet at Bedfield School from 9:45am
