The mustard seed "is the smallest of all seeds, but it becomes the largest of garden plants; it grows into a tree, and birds come and make nests in its branches."
Matthew 13:31-32

Art at Bramfield

This term we have had the opportunity to share our art work with the wider community at two art exhibitions.

In May we sent work Halesworth Art gallery where our work was exhibited with other local primary schools in the area. Over the weekend of June 14th and 15th we were fortunate to have work displayed at the Young East Anglian Art Exhibition hosted by Woodbridge school.

The work we sent in was judged by local artists Rob Rutterford, Emma Wren, Alexandra Oliver and Belinda King.

We were delighted to have students work chosen to be displayed these included Audrey Teager, Nik Kay, Martha Morphey, Sol Hunt, Rosie Best and Audrey Burgess. A super achievement and a reflection of their hard work and creativity.

The Young East Anglian Art Exhibition helps to raise funds for Cancer Research UK a charity that does a lot of good work for a disease that affects so many families.
