

Spring term at Bramfield C of E Primary

It has been a very busy and sunny term at Bramfield. Children have been out on visits finding out more about animals to fit with their learning topics, we have been fundraising, growing plants and vegetables in the gardens and of course celebrating Easter!

For Red Nose day 2017, the children and adults held a talent show and dressed in red. We raised £100 for Comic Relief and found that we had some very talented children!

World Book day in March was, once again, a popular dressing up event.

We read our books all over the school and learnt about new authors.

All of the children had fun visiting zoos and farms. KS2 went off to Africa Alive in Kessingland, whilst EYFS and KS1 visited Easton Farm Park. We all learnt lots to help with our science topics on animals and living things.

EYFS and KS1 made Simnel Cakes as part of their Easter learning. The buns were made by one of our lovely community members the tops. They learnt all cakes are made at Easter balls on the top!

and the children decorated about why these special and why there are only 11

Spring term at Bramfield C of E Primary

Later that week we held our Easter Service at St. Andrew's Church, Bramfield.

We finished off with a wonderful Easter Egg Hunt in our 'secret garden'. We were joined by our local pre-school.

We even held an Easter Bonnet competition...what a busy term!
