

Chelmondiston Church of England Primary School

It's certainly been a busy autumn term so far
- here are some of our highlights

Our School Council and Junior Road Safety Officers have taken the lead on several occasions. Our Junior Road Safety Officers led an assembly to share important road safety advice. This was after organising a Bright Day to warn everyone about the evenings getting darker and the need to be seen at night.

Our School Council did a fantastic job of organising Children in Need at our school, which included a competition to find the 'most attractive cupcake'.

This term children have donated food to FIND and raised money for Children in Need, Macmillan Cancer research, Jeans for Genes and our Y6 pupils have chosen to support EACH – our local children's hospice – when we raise money through our Christmas productions in the last week of term.

For Remembrance Day, Reverend Cannon Liesbeth led our worship at St Andrew's Church, Chelmondiston. Pupils laid poppy wreaths and shared poems.

In October, Y5 and Y6 pupils headed to the banks of the River Orwell to clear a section of the shore. This was reported in the EADT and also inspired a fantastic cross year weaving project with Year 6 and KS1.

EAST ANGLIAN
DAILY TIMES

Pupils at Chelmondiston love being scientists and carrying out experiments.

Each term, each class leads a special assembly to share what they have been learning with their families and the rest of the school.

Thistle class enjoyed using a green screen to help them make a fantastic film for their Science work.

At Chelmondiston we love going on trips and being outside – sometime we use our woodlands for learning. Each class has walked to the river this term. KS1 visited Christchurch Mansion and Y5 and 6 had a wonderful residential trip to PGL Bawdsey. Here are some pictures of what we have been getting up to!
