

Elmsett C of E Primary School are pleased to announce the results of their recent inspection under the new system.

The quality of education	Good
Behaviour and attitudes	Good
Personal development	Good
Leadership and management	Good
Early years provision	Good

Pupils keenly attend this warm, friendly school. They want to attend every day because of the welcome and care they receive. They are rarely absent. Pupils feel safe and respected. They trust staff to deal with any issues or concerns quickly. The school has a 'family feel', and all staff know the pupils well. This is a school at the heart of the community.

Pupils engage well in lessons. They show positive attitudes to learning. Pupils look out for each other. They play and learn thoughtfully and respectfully together. (OFSTED Report Sept. 24)

We are proud of the result and of how amazing the pupils were during the inspection. They told the inspector all about our wonderful school and how much they enjoyed coming to Elmsett.
