

Hintlesham and Chattisham CE Primary School News

Celebrating a fantastic start to the school year!

Here at Hintlesham and Chattisham, we are celebrating a great start to the year. All classrooms have been busy and productive environments with lots of exciting learning going on!

Our **Reception children in Ruby Class** have settled fantastically into the full routine of school. They've been enjoying their phonics learning and using it already to write their CVC words. They enjoy taking their learning outside and working collaboratively.

After reading a selection of poetry based on Autumn, our **Year 1 & 2 children in Emerald Class** read and performed the three Witches poem from Macbeth. They then wowed us by making their own potions, including making detailed lists of ingredients for their recipes. The children enjoyed conjuring up and recording ideas of what the potions would do to those who drank them!

Year 3 & 4, Sapphire Class enjoyed a fantastic day of learning when a special visitor from the Stone Age came to the school! The visitor told the children all about his hunter-gatherer lifestyle! They investigated artefacts, had a go at weaving wattle and daub and learned about building boats.

Year 5 & 6, Diamond class have shown themselves to be great role models for the rest of our school. They led our very first sharing assembly of the term, sharing and celebrating all they have learned so far with an audience of the rest of the school and their parents and carers. They planned, wrote and developed the assembly themselves including modelling long division, carrying out a science experiment, sharing writing and art work and adding in some challenging questions for the adults!

We Will Remember

We held a very special Remembrance Service on Monday 11th November to commemorate this important day. We considered links to our precious values of respect, empathy and opportunity. As part of the service, our Worship Council took poppy wreaths and laid them on the war memorial at the church. A live video feed of them doing so was seen by all back at school and we listened as our Year 6 Worship Council members read the poem, 'In Flanders Fields' live from the church grounds. We all then congregated outside on the playground for our 2-minute silence. To mark the beginning and end of our silence, Mr Steensma played the Last Post and the Reveille on the trumpet. It was a wonderful and respectful occasion in honour and memory of all who have served and fought for their country and continue to do so today.

Together we are a PRECIOUS team; We work hard to shine and gleam!
