

Suffolk Show

For the King's Coronation we entered a gardening competition. Gardening Club (with pupils from year 3 to year 6) planted lemon balm, mint, strawberries, red lettuce, other vegetables and wild flowers. We planted red, white and blue flowers in the shape of a heart because we called our garden 'The Heart of the Kingdom'.

We started by agreeing on and making a plan. Then every Friday, at gardening club, we tended to our planter by watering and feeding the plants. We worked on the planter for 2 months. We even held an inter-school competition for the best art work to decorate the outside of our planter.

When we had finished, the planter was taken to Trinity Park for the Suffolk Show.

There were a total of 20 Primary Schools entered into the competition. Everyone had done an amazing job! Morland were one of only 3 schools to win a gold medal for their garden. We felt very happy and proud of ourselves for all of the hard work.

Kyra and Indie (year 6)
