

Nacton Church of England Primary Autumn Term News 2024

Our new Reception children in Hedgehog class have been learning about Diwali. They could remember that it is a festival of lights, that homes get cleaned, presents are given and that rangoli patterns are drawn on the floor outside of homes.

We then had a try at some dancing and making diyas. It was lots of fun.

In art, Hedgehog class have been learning about Yayoi Kusama. The children then explored polka dotting a variety of objects.
