

**Autumn 2024**

We have had a great start to the new school year. Year 6 have enjoyed a residential trip to PGL Bawdsey as well as visits to Duxford Museum and the Martlesham Control Tower Museum. Some children in Year 1 attended a tea party at Woodbridge Lodge. We have also welcomed visitors from Transition Woodbridge to help us learn about sustainability. Alice the artist worked with us to create designs for Woodbridge's fish friendly fireworks display!

The School Council organised a Harvest collection for the Woodbridge Salvation Army foodbank

Children in Years 4 and 5 thoroughly enjoyed their author visit from Ann Marie Howell. Many of the children had already read her books so it was really exciting to meet her in person.

Our half term whole school homework activity was selected by our pupil safeguarding team. They would like us to take part in the Odd Socks Day to highlight the importance of anti-bullying and inclusion. On Tuesday 12<sup>th</sup> November, children will come to school wearing odd socks. At half term, the children made a sock puppet. The winning sock puppets will be used in a sock puppet show and then displayed to help remind us all to 'choose respect!'.

Love your neighbour as you love yourself
