

## Summer 2025

During the year, we have been raising money for our hare sculpture that will form part of the St Elizabeth Hare Trail this summer. Our latest fund-raising activity was 'crazy hair for the hare day'! The children looked amazing and we raised £120. This means that our total fund raising has exceeded our target of £650 for St Elizabeth's Hospice

We are fortunate to be working with the University of Suffolk who are studying our bat population. We have had bat sound recorders placed across our site and they have detected at least 6 different species of bat. We enjoyed a fascinating assembly by Mark from the University of Suffolk who has been recording the number of bats on our school site. We watched him put up bat boxes so the bats can be studied more closely – so exciting!
