

# Stoke by Nayland C of E Primary School News Spring 2025

Stoke By Nayland Primary school were treated to a special visit from a team from Boxford Farms. The team brought two of their tractors into school for the children to explore and ask questions about.

The team provided the children with an opportunity to ask about the roles and employment opportunities available on the Farm for local people. The children learnt about how they use drones to check crops to ensure that they are growing correctly without having to use the fuels of the tractors to check. Alongside the importance of looking after the soil.

The children also had an amazing opportunity to look at a live Beehive and watch the bees working to build it. It was a fascinating time for everyone.
