

## Stoke by Nayland C of E Primary School News Summer 2025

Stoke By Nayland children have been very busy this term. They entered the Farming School of the year competition with an amazing collage about chickens. This got them through to the Semi-finals where they spent a day at Trinity Park listening and learning about Chickens. From the Semi-finals they were on to the Finals which are held at the Suffolk Show. Here a group of 5 children presented an 8 minute talk about Chickens. The children were utterly amazing and were awarded Highly Commended.

As part of our WCET (Whole Class Ensemble Tuition) our Year 4/5/6 children competed at Snape Maltings performing a version of the Firebird by Stravinsky. They joined several other schools and the Suffolk and Norfolk Youth Orchestra. They are now off to perform at the Birmingham Symphony Hall for the National Music For Youth Festival.

We have also had fun developing our EYFS provision and have started our Journey towards "The Curiosity Approach" Accreditation.

Our Forest Schools Teacher has now completed all of her training and we will be opening our Toddlers Forest School in September.
