MAT Website Article February 2025

ISingPop

We were very fortunate to be able to book ISingPop to come and work with us all this term and then to produce a concert for families and friends in the afternoon and evening of Wednesday 22nd January.

We held the concert next door in OSA school theatre which was a wonderful location and could seat many people for the concerts.

The children loved learning 8 songs and dances the previous week and smiled their way through all the performances. They loved every second! As did the staff!

We hope we have brought joy to our community as well as ourselves.

Please see the photos for some highlights.

Chris from ISingPop

The children absolutely loved having Chris from ISingPop teach them the songs and dances and then act as conductor, leader and inspirer for their concerts! The children were very star struck!!

ISingPop concerts.

Mosque Trip.

We offered the children in key stage 2 the opportunity to visit the Mosque in Braintree, which is where some of our families attend. We were welcomed very warmly by the Imam and shown around the Mosque, the different rooms and the activities that take place in the rooms. Many thanks to our Turkish families and the Imam for their warm welcome inside the Mosque. The children found it fascinating.

Art Day

Each year at Tudor, all the children study a painting and we enjoy 3 different art focus days throughout the year. In the Autumn term we focus on the artist and the story behind the painting. In the spring term we focus on the techniques used to produce the art work and in the summer term we focus on applying these skills for the work for our annual art gallery.

This year we are all studying a landscape painting by **Cedric Morris - Flowers in a Portuguese Landscape**.

The children were lucky enough to see the original painting at The Gainsborough Gallery in town earlier this year.

Art day was on Monday 24th February and everyone enjoyed painting and collage work.

The children in UKS2 designed their own 'Flowers in a Sudbury Landscape'. They used photos and printings for their picture.

Art Day.

Other children in school explored painting and flowers, shape and colour.

Reading Ambassadors

Our Reading ambassadors have been very busy visiting both the town library and also Waterstones bookshop in preparation for world book day.

They have put up a beautiful display in the library about 'Under the Sea' and collected books relevant to the display and these are now available in our town library for anyone to use.

They have also enjoyed a visit to Waterstones to spend their World Book Day tokens and to have a tour of the bookshop.

Cuddly Toy

One of teachers here at Tudor donated a cuddly toy to be raffled off which everyone enjoyed.

Many congratulations to Emma who won the teddy! And many thanks to Mrs Jones for her kind donation.
