

News from Tudor C of E Primary School Spring Term 2017

Maths Cafes held earlier this term. Upper Key stage 2.

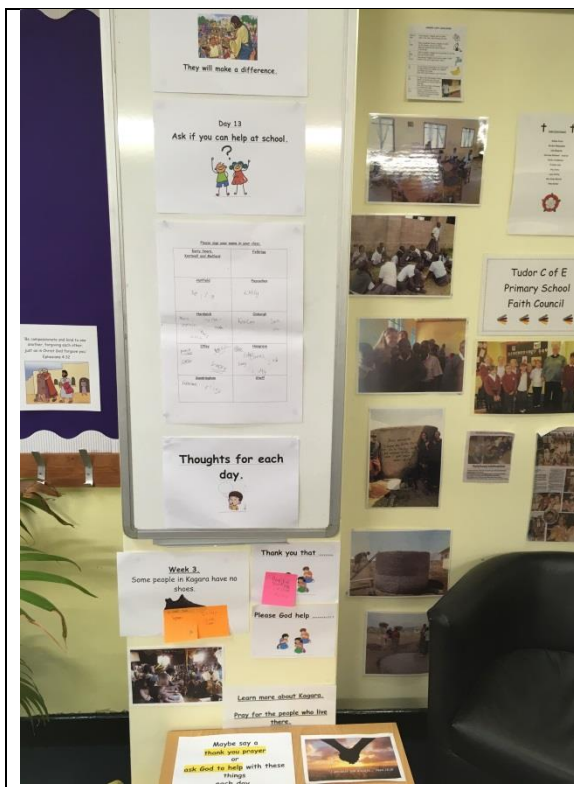

Key stage 1 café

Tudor held Maths Cafes this term where the children showed their parents and carers how they work out calculations using partitioning, and how to use division and multiplication methods in key stage 2. Parent coffee mornings and the parent forum have also been held.

The school Lent area focussed on acts of kindness as well as information about Kagara in Tanzania. The Faith Council have continued to take collective worship and they are taking part in the final collective worship this Friday for Easter.

Mrs Campbell has been supporting weekly Art Enrichment activities and there are lots of wonderful art displays around our school.

We visited the Gainsborough Art Gallery in Sudbury to view the work of Julian Perry, a Suffolk artist. We also put up a display in the town public library of our work.
