

## Newsletter Summer Term Collective Worship Theme: Respect

### KS1 Southwold Trip

Lime Class enjoyed their recent trip to Southwold where they visited the lighthouse, the pier and the promenade and even had lunch on the beach. The activities linked to their English text 'The lighthouse Keepers Lunch' and their History topic 'Holidays in the past.' A fabulous day was had by all.

### Microbits Club

We have started a Microbit after school club this term, So far we have programmed door alarms using 2 Microbits. A transmitter was attached to the door and radio signals used to determine how far

the Microbit was away from a magnet. The receiver was kept in our hands and would show us a tick when the door was closed and make a sound with a cross if the door was open. We all felt that it was an excellent way to keep younger siblings out of our rooms or family members out of our biscuit barrel! The children were very patient with the coding and enjoyed seeing the results of all of their hard work.

### Chestnut visit to Abbey Gardens

On the 6th of May years 5 and 6 enjoyed a school trip to Bury St. Edmunds. They learnt lots of information about Saint Edmund and enjoyed finding evidence of him in both the Cathedral and the Abbey Gardens. The children had an amazing set of tour guides who were able to bring the story of Edmund to life as well as answer any questions that they had. A wonderful, educational day was

had by all.

### VE Day Celebrations

On the 8th of May, the school remembered the 80th anniversary of VE day. In the morning, the whole school made newspaper hats, paper chains and bunting to decorate the village hall for a wonderful street party-style lunch. In the afternoon, KS2 had lots of fun playing WW2 games

like marbles and four-square and learning a WW2 dance. A big thank you to our wonderful Friends group who provided red, white and blue ice creams for the after-school tuck shop. What a wonderful way to celebrate the 80th anniversary.

## Year 6 SATS

Year 6 children have worked incredibly hard to complete their KS2 SAT tests. All of the children put in 100% effort and the whole school community is incredibly proud of them regardless of their results. The children enjoyed a tasty SATS breakfast before each test day and were given time to discuss each test with a biscuit at the end of each morning. They all enjoyed getting dressed up and sharing a celebratory 'We finished SATS' meal at Bella Sorrento, Stowmarket. We all agreed that the food was delicious, the service was warm and friendly and that it was lovely to spend time together outside the classroom as a Year 6 group. A huge well done to each and every Year 6 child.

## Early Adopters Breakfast Club

From the 22nd of April we have been able to offer a free breakfast club to all children at the school. It has been lovely to see a good uptake of children, enjoying breakfast and activities together. They have even written their own Breakfast Club song.
